

Experiences at Posada Puerto Bemberg

Explore the Puerto Bemberg Private Nature Reserve through the most exclusive experiences in Misiones. All activities take place within 400 hectares of Atlantic rainforest located by the Paraná River.

Nature Reserve Trail Walk

The walk through the jungle and along a rugged trail invites you to discover the secrets of the Atlantic Forest. You traverse the Puerto Bemberg Nature Reserve, and along the way, you can appreciate the beauty of the Guatambú Falls, where it may be possible to spot some native animals.

🕒 Duration: approximately 45 minutes 🏞️ Difficulty of the experience: low

🚶 Type: Trekking

Historical Walk

It is a tour of the historic site of the Bemberg family, the Casona, and the Chapel. The guide will immerse visitors in the history of Yerba Mate and the first plantations in the area.

🕒 Duration: approximately 1 hour 🏞️ Difficulty of the experience: low

🚶 Type: Trekking

Navigation to Jasy Falls

The family-friendly boat trip departs from the Puerto Bemberg Inn toward the harbor. Aboard a semi-rigid boat, the group will travel 13 km upriver to the mouth of Yasy Falls. After a 500-meter hike, you will reach the foot of the waterfall, where you can cool off in the water. Minimum group size: 3 passengers.

🕒 Duration: approximately 2.30 hours 🏞️ Difficulty of the experience: low

🚣 Type: Navigation and trekking

Kayak on the Paraná River

It is a navigation experience on the Paraná River that allows you to appreciate the coast on the Paraguayan side. It includes a recreational trip to the mouth of the Uruguay-í stream.

🕒 Duration: approximately 2 hours 🏞️ Difficulty of the experience: medium

🛶 Type: Kayak

Ceremony of the Mate

From the hotel's deck/observation deck, visitors will enjoy a privileged view of the Paraná River. The ceremony takes place at sunset, where the history of the Bemberg family is explained and how the Jesuits used to prepare mate, cooked over wood. A small snack is served at the end of the ceremony.

🕒 Duration: approximately 45 minutes 🏞️ Difficulty of the experience: low

🍵 Type: tasting

Planting a Future - Reforestation Program

We invite you to be part of our proposal to reforest the Atlantic Forest with native species from the region within the Puerto Bemberg Natural Reserve.

🕒 Duration: approximately 1 hour 🏞️ Difficulty of the experience: low

🌱 Type: planting

Activities outside the reserve

Visit to the Iguazu Falls

Transfer to the Park, full-day experience with a visit to the Iguazu Falls (Argentinian side).

🕒 Duration: full day 🏞️ Difficulty of the experience: low 🚶 Type: Trekking
